COVID-19 Response Update

MEVC is continuing 1:1 vaulting practice but planning to bring back the team format in July. We are anticipating that the Health Officer of Santa Clara County will be allowing "team bubbles". This would allow 12 or fewer vaulters to attend practice at the same time. Social distancing requirements will still be in place. Cleaning of equipment between goes will be required as well as wearing a mask on the Garrod's property when not actively in vaulting practice. As you know and appreciate, this is a moving target. We continue to align with Garrod's operational practices and guidelines. The requirements change frequently, so plan on adjustments to occur. We will also be updating the club soon about the July monthly dues. With more practice time in place we are expecting dues will go back to the normal rate.

Virtual Vaulting Competitions

MEVC is targeting two Virtual Vaulting Competitions. The first one will run from July 6th - 17th. Your coach will have information about the details of how this competition will be run. Videos of the vaulters will be taken during a designated practice time. Your coach will advise at which practices this will occur and what is expected for attire and hair. The second is Nationals Virtual Vaulting Competition which will be in August, dates to be confirmed.

End of Season Celebration

August will be the end of the 2019-2020 vaulting season. I am looking for a few parent volunteers to help plan a celebration. This will be an opportunity for creativity in the COVID-19 environment. Please contact Pamela Burke peanut_burke@yahoo.com if you are interested in helping.

Garrod “Spring” Classic

Our annual Garrod “Spring” Classic has been moved to September 12th - 13th. This event will need to be highly modified to accommodate social distancing requirements. We will make a decision in August on what this competition will look like; in person, virtual or as a club-only event. Regardless of the type of event, it will happen September 12th - 13th, so please mark your calendars. We will also be in need of volunteers to make this event successful. Contact Pamela Burke if you have any questions peanut_burke@yahoo.com

Vaulting 1:1 Sessions and Online Barrel Classes Continue

This month, vaulters were able to participate in 1:1 sessions with their team horse. We are working on plans for July to have increased hours of vaulting on the horse at Garrods. Additionally, virtual barrel classes are continuing online. HUGE thank you to Fabian for organizing and trying different agendas as the situation is very fluid. If you have any feedback, please contact Fabian.
