COVID-19 Response Update

As you know and appreciate COVID-19 continues to make planning anything a moving target. We continue to align with Garrod's operational practices and guidelines. The requirements do change, so plan on adjustments continuing to occur periodically.

#NOVIRUSCANSTOPUS

Please Renew or Apply for AVA membership by November 1st:

In addition to completing the registration packet for MEVC, each vaulter will need to renew their American Vaulting Association (AVA) membership by November 1st. Please visit <https://www.americanvaulting.org> and click the join/renew icon in the top right corner.

Woodside Fall Fest (formerly Regionals): October 17th - 18th

Regionals are still a go for October 17th-18th weekend. Your coaches will provide more information. This will be our first in-person competition to occur during COVID, which mean there will be many different guidelines in place to align with current county rules. This competition will be at The Horse Park at Woodside. Please note: since the competition grounds are located in San Mateo County, some slightly different COVID requirements might apply from the ones in Santa Clara County.

Halloween Fest: October 24th

Did you know that this is the 50th anniversary of vaulting at Garrod Farms and the 35th anniversary of Halloween Fest (!!!)? Currently we are planning on having a low key celebration on Saturday October 24th. This event will need to be highly modified to accommodate social distancing requirements. Be on the lookout for information about this celebration. This will likely be a club-only event. We will also be in need of volunteers to make this event successful. Contact Pamela Burke if you have any questions. peanut_burke@yahoo.com
